

CIRTEMO™ presents

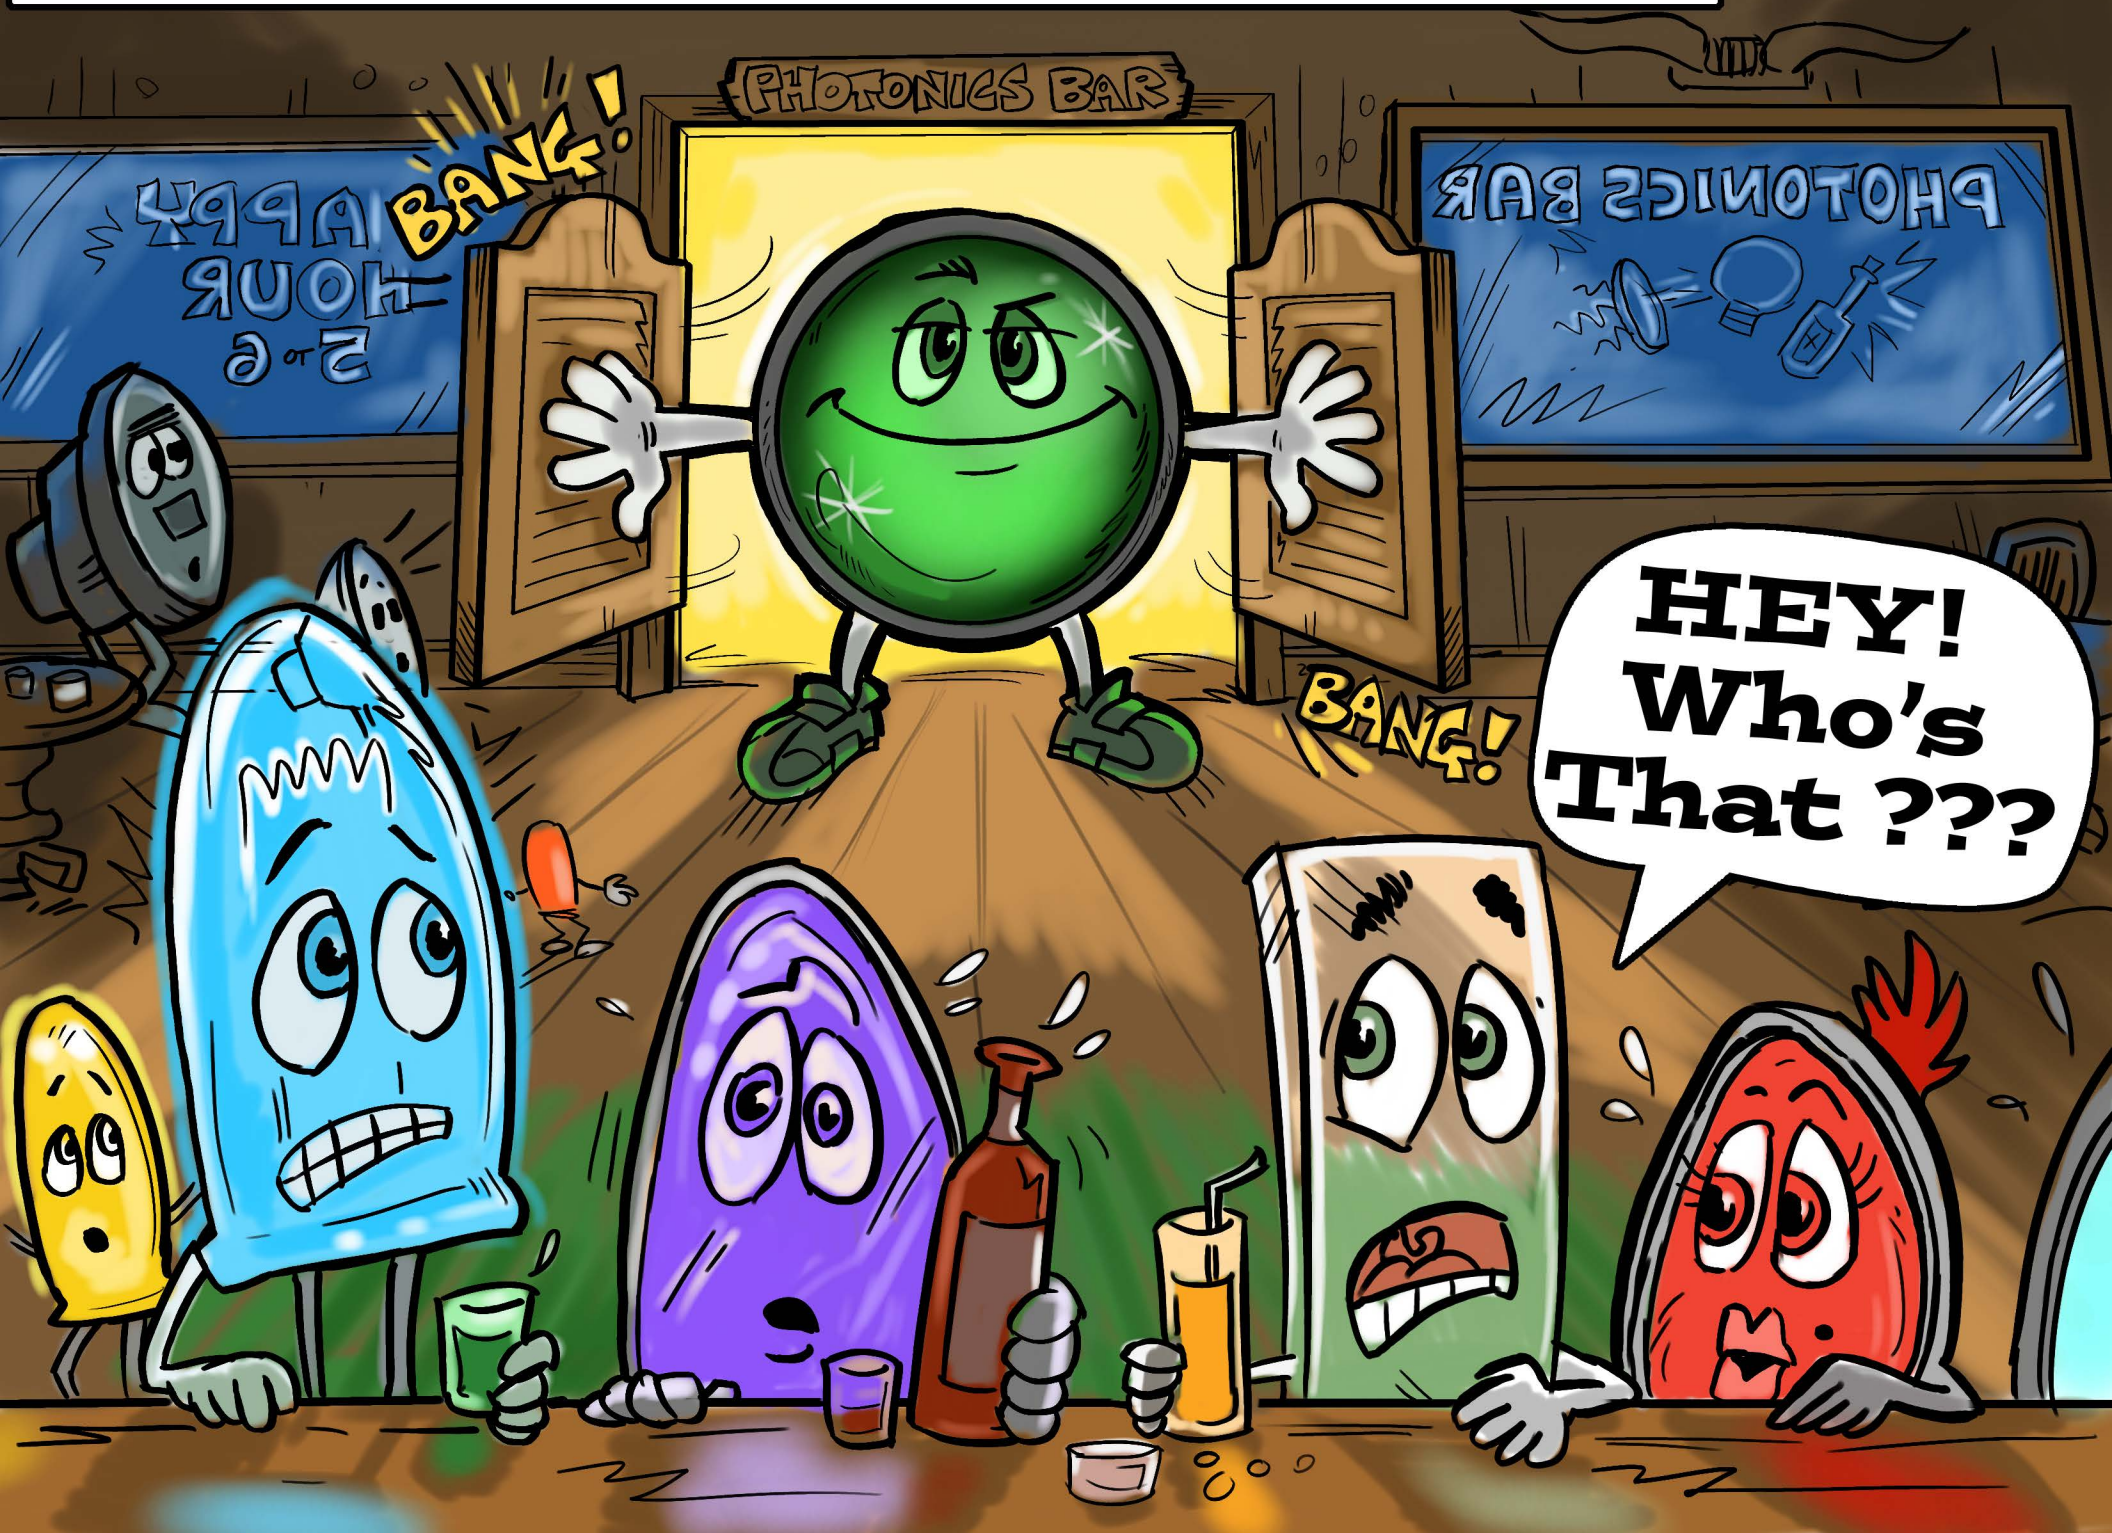

The Adventures of

... and his friends!

High noon at the local optics watering hole...

2-6
HOUR
499A
BANG!

PHOTONICS BAR

PHOTONICS BAR

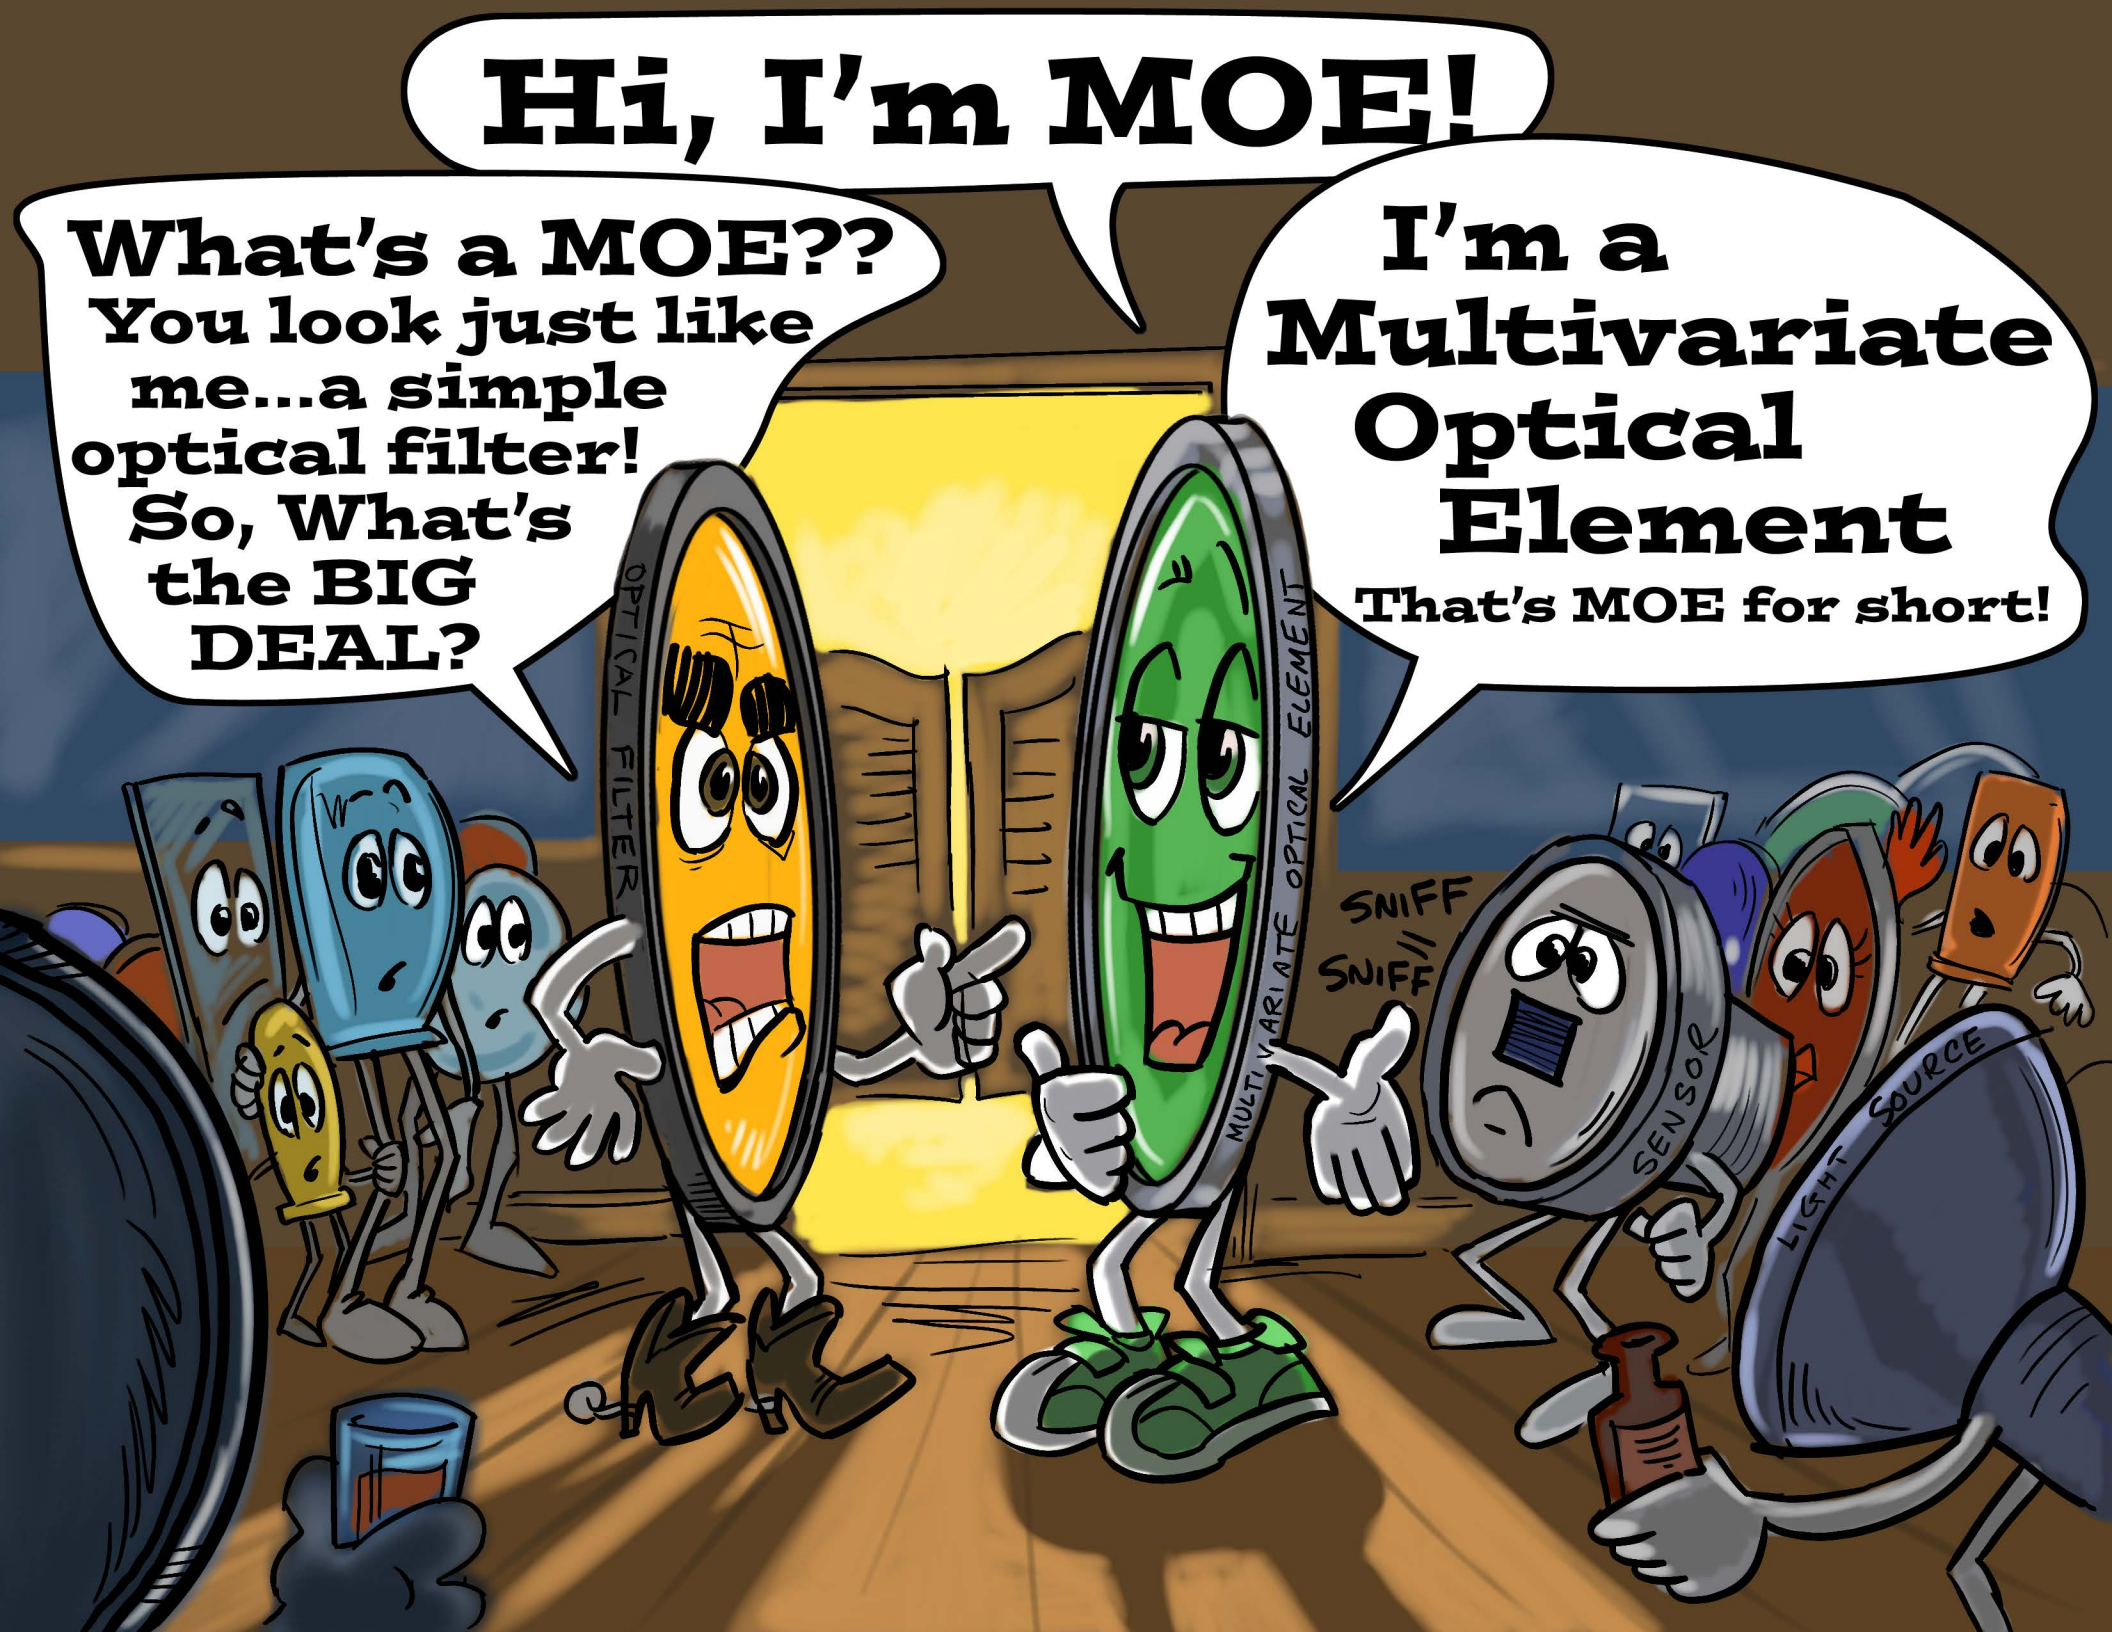

HEY!
Who's
That ???

BANG!

Hi, I'm MOE!

**What's a MOE??
You look just like
me...a simple
optical filter!
So, What's
the BIG
DEAL?**

**I'm a
Multivariate
Optical
Element
That's MOE for short!**

We all just block or transmit light, right???

Yes, but the guys at **CIRTEMO** design me to detect or measure specific chemical signatures!

**I make optical
systems work better!**

Neat!

Wow!

**What do you mean?...
Like better sensitivity
or the ability to detect
things I cannot?**

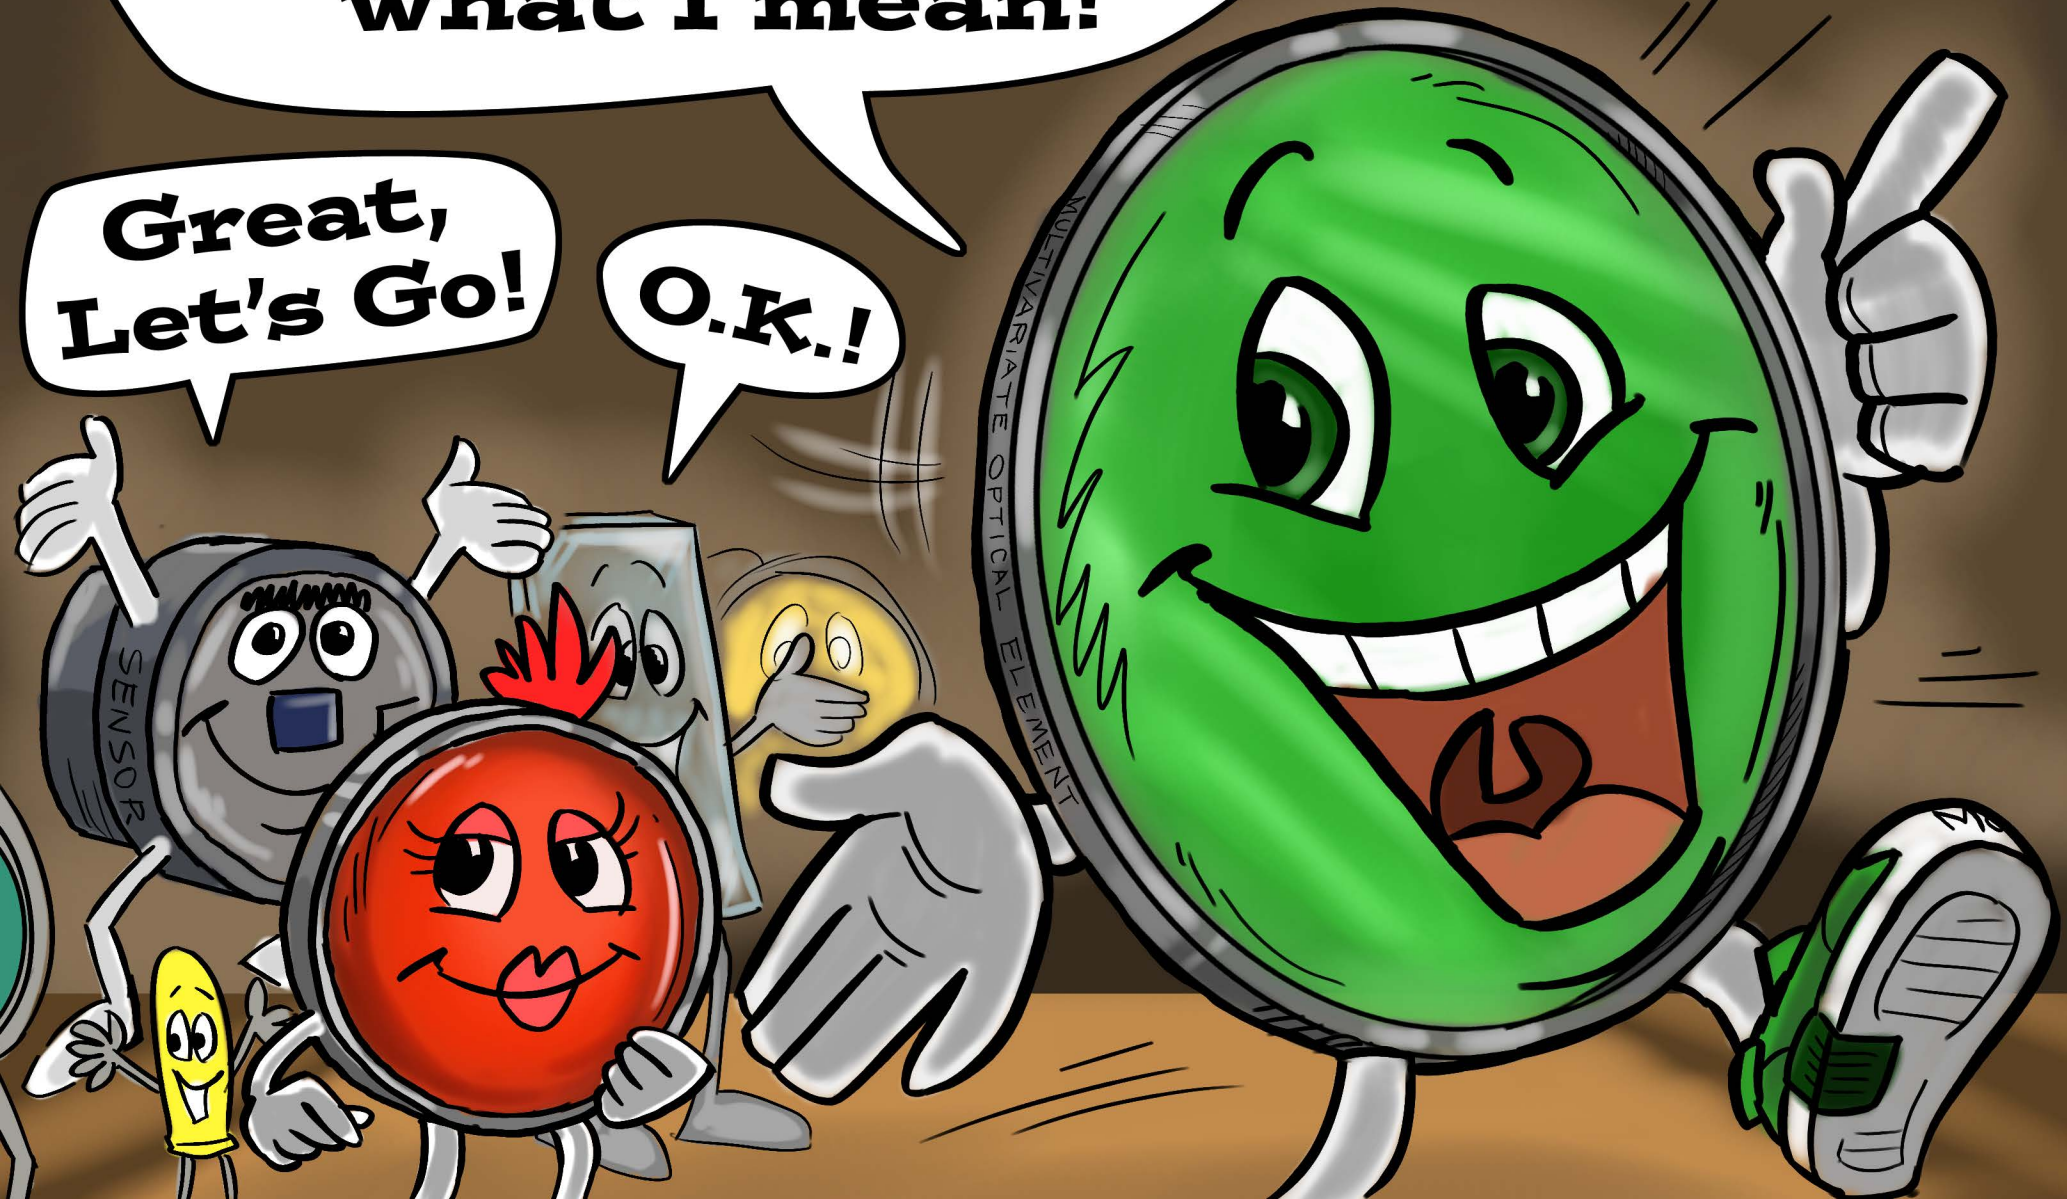

**Yes,
Exactly!**

Let's mosey on over to
CIRTEMO
and I'll show you
what I mean!

Great,
Let's Go!

O.K.!

Meanwhile back at CIRTEMO labs...

**Jim!!! We just received a call
from a major medical device manufacturer...
They are in a bind!...They are struggling with
their optical glucose monitors!**

**I think we can help...
Where is MOE!!!!**

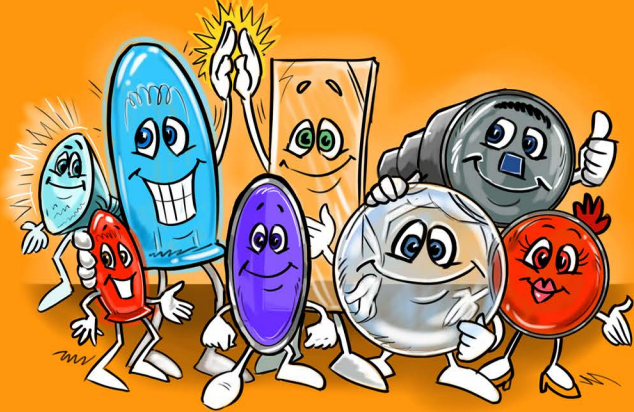

MOE!

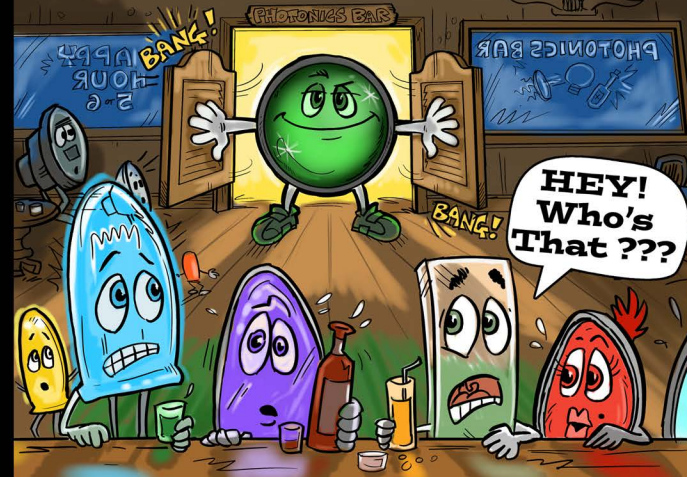

The Adventures of

... and his friends!

High noon at the local optics watering hole...

Hi, I'm MOE!

What's a MOE?? You look just like me... a simple optical filter! So, What's the BIG DEAL?

I'm a Multivariate Optical Element That's MOE for short!

We all just block or transmit light, right???

Yes, but the guys at CIRTEMO design me to detect or measure specific chemical signatures!

I make optical systems work better!

Neat!

Wow!

What do you mean?... Like better sensitivity or the ability to detect things I cannot?

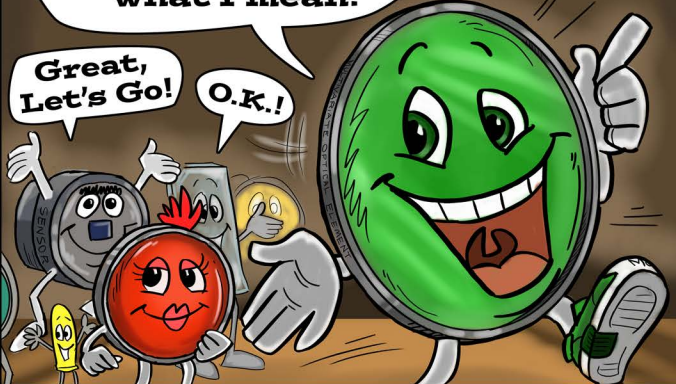

Yes, Exactly!

Let's mosey on over to CIRTEMO and I'll show you what I mean!

Great, Let's Go!

O.K.!

Meanwhile back at CIRTEMO labs...

Jim!!! We just received a call from a major medical device manufacturer... They are in a bind!... They are struggling with their optical glucose monitors!

I think we can help... Where is MOE?

To be continued!!!

Visit www.cirtemo.com or call 803-467-4189 to see how MOE can help you!
